October 11, 1968

Dear Mr. Weisberg,

The office of "Insight on the News" is at 8551 S.W. 24 St. 221-8981. The next issue comes out on Tues, 15. I will send it to you. The office turns out to be 10 blocks from where I live. My wife ripped this off the office door.

We called the office and were told that we could obtain back issues on Tues. I will mail them also, if they really can be acquired.

His last address must be:

[redacted]

PENABAZ, FERNANDO JR. DR 8360 S.W 25 St. 226-5994
The phones match

The paper is distributed by

Sunshine State News Co.
2225 N.W. 25 AVE.
633-3441

I am told that he speaks frequently on various radio shows. I will try to obtain the corresponding listings, so that I can tape the shows and send them to you.

I will try to get to the newspaper files. I have no car right now so my mobility is very limited. I will do the best I can. I will however, avoid all personal contact with this guy.

Thanks for the information

Ross Goldberg
